

# *Welcome*

On behalf of the Zammit Tabona family,  
Head Chef Cliff Borg would like to welcome you to  
ROSAMÍ Restaurant,  
part of The Xara Collection.

## *Signature Cuisine at the Villa*

ROSAMÍ is a produce-driven restaurant pushing the boundaries of fine-dining idealism. It is a space to discover exquisite flavors and experience food as art.

As a team of young passionate chefs led by Chef Cliff Borg, the menu prepared merges skill and technique with inspiration from their childhood memories, personal experiences, travel and their love of food.

## ***The Xara Gardens***

Through Xara Gardens, the owning family and management, with the guidance and expertise of young expert farmers and Sustainable Resource Innovator Michael Bourne, are actively and perceptibly looking for a more sustainable way of doing business. Working together with the chefs, our Xara Gardens team, establish which seasonal crops to grow that will ultimately find themselves on the menus of the various restaurants of The Xara Collection.

## ***Carte Blanche***

Embark on a gastronomic journey like never before at Rosami, where culinary artistry meets the thrill of the unknown. Our Michelin-starred chef invites you to trust in the magic of the unexpected with our exclusive tasting menu, inspired by a tapestry of flavours discovered during his worldly travels.
